

Don

Soft office sofa

Design: Intuit design team

Don – honorary citizen in the lounge.

A moment of rest worthy of its name

While the lounge couch Ben serves as the focal point of the Social Zone, creating a comfortable space for colleagues to take a break from work, its larger counterpart, Don, elevates these breaks to a whole new level.

Don is as springy and as elegantly designed as Ben, but with a slightly deeper seating area, which adds a luxurious look and makes things more comfortable. Now everyone can get cosy and enjoy lying down, including four-legged members of the office.
