## Cosy niche sofa

Design: Lurni Visnapuu

When you combine the comfort of a home sofa with the convenience of an office sofa, you get Wander – a cosy niche sofa with high walls that provides visual separation, supports productivity, and can be easily moved around.

*Unrivalled comfort.*  
**Just like at home**

Welcome Zone

Social Zone

Collaboration Zone

Concentration Zone

Can be moved around, if desired

Helps make waiting more comfortable

Allows you to focus and separate

With modules available in three different widths, Wander offers a number of interior design options. By placing the modules opposite each other, the result is a cosy nest suitable for a private chat. When complemented with an auxiliary desk, it serves as a functional work island. By ordering the wheeled version, Wander moves with you around the office. Modules arranged in a row are also suitable, for a café, for example.

Wander's soft back cushions are loose and adjustable. In keeping with circular economy design, Wander's coverings are durable and easy to replace, even on your own.
