MARO Office Furniture

For 30 years, we have been making sure that office work is comfortable and ergonomic. Our furniture demonstrates our professionalism and love for what we do. We are passionate about creating exquisite and functional things and that translates into a quest for new solutions that turn concepts into products at a higher and higher level. Using innovative engineering solutions, we strive for ensuring that our products are top-notch. Our quality has been proved by ISO 9001 and Geprüfte Sicherheit certificates. This is possible thanks to our technology park, where world-class techniques come together under one roof. As a responsible producer, we wish to minimize our ecological footprint and expect the same from our suppliers.

Our Machinery Park guarantees top quality and precision. Thanks to the investments in new techniques and constant search for unconventional solutions, we thrive all the time. We are aware of how valuable the human factor is, therefore some elements of our furniture are hand-made. Gluing the carcasses of curved counters is a job where the human has an advantage over the machine. However, where surgical precision and repeatability in short time are necessary, we take advantage of the latest technique. Wood processing center drills, mills and processes the edges with utmost precision. The quality of our furniture is based on hundreds of trials and tests, thanks to which we are certain that we are second to none

Warient

Warient is a collection of mobile furniture that enables to freely arrange a space. The collection features desks with low and high partitions, compact desks, add-on desk cabinets, modular cabinets, mobile walls, a meeting place, a TV stand, a mobile mini assistant and a wardrobe.

Compact desks are equipped with pneumatic or electric height adjustment with the possibility to mount a tilting top. Warient modular cabinets allow you to build and rebuild a piece of furniture that is fully adapted to the user's needs. Mobile walls with sound-insulating fabrics can be purchased with dry-wipe boards.

The Mobile TV stand is perfect for presentations and meetings. On the other side, there is a dry-wipe board. By rotating the TV stand, we can comfortably access the board. The Meeting Place is a mobile version of a conference table which can be used for team and individual work. The furniture based on castors with brakes allows to change the layout of the office within few minutes. This way, the office can be rearranged to respond to your team's needs.

STRUCTURE

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- Carcass, fronts of modules and drawers, back wall and top are made of 18 mm thick board.
- All board elements are finished with 2 mm thick ABS plastic edge with 3 mm radius.
- Carcasses of shelf units are factory-glued, assembled and delivered as a whole.
- Each element of the module has horizontal graining.

EQUIPMENT

- Upholstered panel for the back of the module as an option with a surcharge.
- Doors are equipped with 110° hinges with soft close mechanism.
- Drawers as standard are equipped with handles from MARO A1, B1 and C1 collections with 128 mm spacing. Z1 and W1 handles as an option with a surcharge.
- Drawers have Soft Close Automatic mechanism with a function of drawer braking and automatic closing.
- Lock for each modular cabinet as an option with a surcharge.

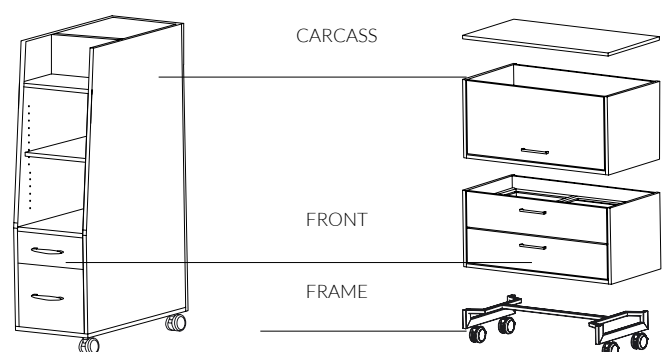

ADDITIONAL INFORMATION

- Colors according to MARO offer.
- Cabinets on mobile base with braked castors: Ø 75mm or stationary base with feet with +10 mm adjustment.
- Base is affixed directly to floor.
- Modules (4 pieces at maximum) can be freely stacked and rearranged.
- Cabinets can be stacked independently, front-back.
